CLIENT TESTIMONIALS

Fiona

By Design enclosed our existing alfresco area using glass and screens. We are so happy with the job they did. It's very high-quality workmanship. It was also incredibly refreshing to work with Stuart, who always answered his phone, texted us, and responded to emails. He turned up when he said he would, and his team was a pleasure to deal with. So professional. We got a few quotes, and he came in the best. We were all round delighted with this company. Richard and Fiona, Tamworth"

Ravi

Professional, on time, and excellent quality. Always a pleasure to work with By Design Outdoors projects.

Jody

The team was professional, transparent, and delivered a high-quality patio that exceeded our expectations. As a licensed NSW builder, they gave us complete peace of mind. Highly recommended.
